

Philadelphia Council for Business Economics

A Chapter of the National Association for Business Economics (NABE)

2023 Membership Dues

The PCBE membership fee for the calendar year 2023 is \$25. We appreciate your membership in the Philadelphia Council of Business Economists. Your membership fee helps to defray our mailing costs and travel and other expenses related to obtaining speakers and providing seminar materials. Monthly luncheon fees just cover the actual cost of the meals graciously provided by the Federal Reserve Bank. Administrative services are provided on a voluntary basis by the Bank and by your elected PCBE officers. PCBE appreciates the ongoing support of the Federal Reserve Bank of Philadelphia.
